‘वस्त्र’ पर विराम, रीको ने जानकारी भी हटाई कोरोना के बाद सभी प्रदर्शनी शुरू, लेकिन वस्त्र अभी तक नहीं

बिजनेस रिपोर्टर | जयपुर

प्रदेश के कपड़ा और गारमेंट उद्योग को बढ़ावा देने के लिए वर्ष 2012 में शुरू की गई वस्त्र प्रदर्शनी 2020 के बाद से आयोजित नहीं की गई है। इससे कपड़ा और गारमेंट उद्योगियों में नाराजगी है। इनका कहना है कि वस्त्र प्रदर्शनी में केंद्रीय कपड़ा मंत्रालय के अलावा फिक्की और गारमेंट्स एक्सपोर्ट्स एसोसिएशन ऑफ राजस्थान का सहयोग होता है। इसके मद्देनजर वस्त्र वैश्विक बाजार में ब्रांड इवेंट के रूप में स्थापित हो गई थी। 2012 से 2017 तक हर साल वस्त्र प्रदर्शनी आयोजित की गई।

कोरोना के कारण इसका 7वां संस्करण वर्ष 2020 में वर्युअल आयोजित किया गया था। लेकिन इसके बाद से प्रदर्शनी के आयोजन को लेकर कोई जानकारी नहीं है। यहां तक कि मुख्य आयोजक रीको ने अपनी वेबसाइट से वस्त्र प्रदर्शनी की जानकारी भी हटा दी है। बता दें, 2017 में वस्त्र प्रदर्शनी में 252 एग्जीबिटर्स ने हिस्सा लिया था। 54 देशों के 306 खरीदार और देशभर के 92 बड़े बाइंग हाउस ने शिरकत की थी।

चार दिन की प्रदर्शनी में करीब 500 करोड़ का कारोबार हुआ था।

वस्त्र से प्रदेश के गारमेंट उद्योग की ग्रोथ बढ़ी

गारमेंट एक्सपोर्ट्स एसोसिएशन ऑफ राजस्थान के प्रेसिडेंट जाकिर

हुसैन का कहना है कि वस्त्र के आयोजन के बाद प्रदेश के गारमेंट और कपड़ा व्यवसाय

में हर साल 20 फीसदी की ग्रोथ दर्ज गई है। वस्त्र की अंतरराष्ट्रीय स्तर पर ब्रांडिंग के लिए करोड़ों रुपए खर्च किए गए। अगर इसका आयोजन नहीं किया गया तो वस्त्र के प्रचार-प्रसार पर खर्च किया पैसा बेकार चला जाएगा। गारमेंट उद्योग का प्लेटफार्म छिन जाएगा। इसलिए सरकार को इसके आयोजन पर विचार करना चाहिए।

उधर, जानकारों की माने तो सेंट्रल टेक्सटाइल डिपार्टमेंट की ओर से एमएआई (मार्केटिंग असिस्टेंट इनिशिएटिव) के तहत वस्त्र को मिलने वाला फंड रोक दिया गया है। रीको भी इसके आयोजन में दिलचस्पी नहीं दिखा रहा है। प्रदेश के कपड़ा और गारमेंट उद्योगियों का कहना है कि करोड़ों रुपए खर्च कर वस्त्र को ब्रांड बनाया गया और

कपड़ा निर्माताओं को भी आयोजन का इंतजार

एसोसिएशन के महासचिव अरुण गुप्ता का कहना है कि वस्त्र से

पहले प्रदेश की गारमेंट फैक्ट्रियों में 40 हजार मशीनें ही काम करती थीं। अब 2 लाख से

ज्यादा मशीनें हैं। इसके पीछे वस्त्र का बड़ा योगदान है। वस्त्र ने प्रदेश के गारमेंट उत्पादकों के लिए देश-विदेश में खरीदार ढूंढना आसान कर दिया था। इससे प्रदेश से निर्यात और स्थानीय व्यापार दोनों बढ़ा। प्रदेश के सभी कपड़ा निर्माताओं को भी अब इस आयोजन का इंतजार है। इसके मद्देनजर प्रदर्शनी को आयोजित किया जाना चाहिए।

अब इसे बंद करना निराशाजनक है। देशभर में कोरोना की वजह से बंद किए गए तमाम आयोजन शुरू हो गए हैं। जयपुर में राजस्थान इन्वेस्ट समिट, इंडिया स्टोन मार्ट, ज्वेलरी शो का सफल आयोजन हो चुका है। लेकिन गारमेंट इंडस्ट्री को अंतरराष्ट्रीय मार्केट उपलब्ध कराने वाली वस्त्र प्रदर्शनी को ठंडे बस्ते में डाल दिया गया।

BUSINESS OPPORTUNITIES IN DUBAI

- FICCI organized an Interactive session on “DMCC Made for Trade Live - Jaipur in Focus” with the Dubai Multi Commodities Centre (DMCC) on 8th May, 2023 at Hotel Royal Orchid, Jaipur in which GEAR President Sh. Zakir Hussain ji was invited as a panelist for panel discussion on Investment opportunities for Indian Businesses in UAE .

SUSTAINABILITY WAY FORWARD

- BSL & AEPC jointly in association with GEAR organized an event on Europe's policy on Sustainability on 10th May, 2023 at Hotel Royal Orchid, Jaipur.

प्रदेश से गारमेंट निर्यात बढ़ाने के लिए सस्टेनेबल मैराथन आयोजित

जयपुर | प्रदेश से गारमेंट व अपैरल एक्सपोर्ट बढ़ाने के लिए सस्टेनेबल मैराथन आयोजित की गई। इसमें अपैरल एक्सपोर्ट प्रमोशन काउंसिल (एईपीसी), गारमेंट एक्सपोर्टर्स एसोसिएशन ऑफ राजस्थान (गियर) और ब्रांड एंड सोर्सिंग लीडर्स एसोसिएशन के प्रतिनिधियों ने हिस्सा लिया और यूरोपियन ग्रीन डील पर चर्चा की। यूरोपियन ग्रीन डील के तहत यूरोपीय देश उन्हीं देशों से आयात करेंगे, जहाँ पर्यावरण संरक्षण नियमों का पालन किया गया है। इस मौके पर गियर के प्रेसिडेंट जाकिर हुसैन ने सरकार से गारमेंट मैन्युफैक्चरिंग यूनिट्स पर रूफटॉप सोलर प्रोजेक्ट के लिए सब्सिडी और गारमेंट रिसाइक्लिंग पार्क की मांग की। गियर के महासचिव अरुण गुप्ता का कहना है कि

गारमेंट एक्सपोर्ट में बांग्लादेश, चीन और ताइवान जैसे देशों से कड़ी चुनौती मिल है। इसके मद्देनजर अंतरराष्ट्रीय स्तर पर ब्रांडिंग के साथ क्लाइमेट चेंज प्रावधानों का ध्यान रखना होगा।

एईपीसी की डिप्टी सेक्रेटरी जनरल डॉ. तमन्ना चतुर्वेदी ने बताया कि राजस्थान की गारमेंट इंडस्ट्री को सस्टेनेबल ग्रोथ के लिए पर्यावरण सुरक्षा पर खरा उतरना होगा। यूरोपीय देशों में एक्सपोर्ट के लिए यूरोपियन ग्रीन डील के अनुसार इंडस्ट्री को पर्यावरण अनुकूल बनाना होगा। बीएसएल के सेक्रेटरी जनरल रमन दत्ता ने कहा कि अपैरल एक्सपोर्ट में हम छठे से आठवें नंबर पर आ गए हैं।

Garment exporters look for ways to make business carbon neutral

TIMES NEWS NETWORK

Jaipur: The European Union wants to become climate neutral by 2050. It also wants its suppliers to become environmentally sustainable and follow its green deal. The EU has already said firms not following sustainable standards will face carbon border tax (CBT) from 2026 and its initial list covers steel, aluminium, cement, fertiliser, hydrogen and electricity. But textiles and garments are set to come next.

Adopting sustainability practices and processes are no more a choice for the garment industry, said a senior official of Apparel Exports Promotion Council (AEPCC), which is reaching out to manufacturers to map the existing sustainability status.

Tamanna Chaturvedi, deputy secretary general of AEPCC said, "Before the commitments come into force for textile and garmenting in-

Apparel Exports Promotion Council (AEPCC) is holding roadshows across five prominent garment clusters across the country: Tirupur, Mumbai, Bangalore, Jaipur and Delhi-NCR

dustry, the manufacturers have to ensure that value chains of their businesses confirm to the sustainability standards, in the absence of which it will be difficult for them to export to the EU countries."

The council is holding roadshows across five prominent garment clusters that include Tirupur, Mumbai, Bangalore, Jaipur, and Delhi-NCR.

"Through the roadshows we want to map the existing sustainability status, give an opportunity to AEPCC members to showcase their sustainability measures to iconic reputed brands, document the best stories to showcase them to the global buyers and brands, and have a poli-

cy dialogue with the government for suitable policy interventions for supporting MSMEs for better preparedness in the changing scenario," said Chaturvedi.

Members and representatives of the Garment Exporters Association of Rajasthan (GEAR) said that they need government intervention to source energy from green sources.

Zakir Hussain, president of GEAR, said, "Having business sustainability and environmental protection is difficult without the cooperation of the government. That's why we have asked the government to set up a subsidy programme for rooftop solar projects and a garment recycling park in the state."

JUNE, 2023
